

REMARKS

Claims 1-11 are pending in this application. Of those, claim 6 has been allowed and claims 1-5 and 7-11 stand rejected as allegedly obvious over Patent No. 6,295,627 to Gowni et al. in view of Publication No. 2005/0071693 A1 to Chun et al. The Examiner also objects to the abstract. The abstract and the claims have been amended herein to address the objection /rejection.

The Office considers the original recitation of claim 6 allowable. Accordingly, claim 1 has been amended to incorporate the allowable recitation from the originally-filed claim 6. No new matter has been added. Claim 1 is now considered to be in condition for allowance. Claims 2-5, 7-9 and 11 depend from claim 1 and are deemed allowable at least by the virtue of this dependence. Claim 10 has been cancelled without prejudice or disclaimer to the subject matter claimed therein.

Entry of the amendments and allowance of claims 1-9 and 11 are respectfully requested.

The Examiner is invited to contact the undersigned for discussing any issues relating to this application.

Although a fee is not deemed necessary, the Office is hereby requested and authorized to charge any fee required to enter the instant amendment against Deposit Account No. 04-1679 to Duane Morris LLP.

Respectfully Submitted,
